

# SCIENCE FICTION POSTERS

## U.S. Thirty by Forty

*All posters are original theatrical release issue. Some have never been used. Most are very rare and extremely difficult to obtain.*

*The U.S. thirty-by-forty is uncommon as few theatres ordered the size. Pressbooks rarely, if ever, included the thirty-by-forty. The thirty-by-forty has heavier paper stock than either the one-sheet or half-sheet, costing more to print. Consequently, theatres rarely purchased the posters.*

In general, these posters are part of my personal collection and are not for sale. However, I can be swayed to sell or trade if the offer is attractive.
